

Given the guidance of 'around an extra 10 dwellings' for Stoke Gabriel in the JLP (2014-34), what do you think is most appropriate number of additional dwellings over the 20 year period?

--	--	--	--	--	--	--	--

Number of additional dwellings over 20 year period

Around 10	20	50	More than 50 (own number)

COMMENTS -Explain your thinking
